Step 1—Qualify (TRICARE Reserve Select and TRICARE Retired Reserve)

- Selected Reserve members may qualify for TRS and Retired Reserve members may qualify for TRR if they are:
 - Not eligible for or enrolled in Federal Employees Health Benefits Program under sponsor's own employment
 - For more information, visit www.tricare.mil.

Step 2—Purchase (TRICARE Reserve Select and TRICARE Retired Reserve)

Purchase TRS or TRR:

- Online at <https://milconnect.dmdc.osd.mil>
- By mailing a completed and signed *Reserve Component Health Coverage Request Form* (DD Form 2896-1) to your regional contractor
 - Include initial premium payment.
- By calling your regional contractor
- In person overseas at a TRICARE Service Center

For continuous coverage, purchase TRS up to 90 days before TAMP ends, but no later than 90 days after TAMP ends. For TRR, if enrolled in another TRICARE plan, submit a TRR request within 90 days of the other TRICARE plan ending to ensure continuous coverage.

TRS and TRR: Getting Care

- TRS and TRR coverage follows the rules of TRICARE Select.
- For TRICARE Select, you can see any TRICARE-authorized provider, but you save money when you use network providers.
- With TRS or TRR, no referrals are necessary, but some services require pre-authorization.
- In an emergency, call 911 or go to the closest emergency room.
- To find if space is available at a military hospital or clinic near you, go to www.tricare.mil/mtf.

TRS and TRR Costs

- Monthly premiums (per calendar year beginning Jan. 1):
 - Go to www.tricare.mil/costs.
- Yearly deductible for TRS is based on the sponsor's pay grade and for TRR, based on individual or family coverage.
- Cost-shares and copayments apply for covered services and vary depending on the type of provider (network or non-network).

Note: All ongoing monthly premium payments must be made by either automatic electronic funds transfer, credit, or debit card.

Line of Duty Care (1 of 2)

- Limited to illnesses, injuries, and diseases incurred or aggravated during a period of qualified duty 30 days or less
- Includes injuries sustained while traveling to and from, and staying overnight at, a duty station
- Must have a completed line of duty determination
- In the U.S., care is provided at military hospitals or clinics or coordinated by the Defense Health Agency—Great Lakes, if seeing a civilian provider.
 - **Note:** Overseas, care can be authorized by a military hospital or clinic or the TRICARE Overseas Program contractor.
- LODs are only good for one year. After one year, you'd be put under a medical evaluation board where you either get placed in the Integrated Disability Evaluation System, returned to duty, or medically retired.

Note: TAMP doesn't cover line of duty care.

Line of Duty Care (2 of 2)

- For care needed in the U.S. after orders expire:
 - If a National Guard or Reserve member resides 50 miles or less of a military hospital or clinic, LOD determination requests go to the military hospital or clinic.
 - If a National Guard or Reserve member resides more than 50 miles from a military hospital or clinic, LOD requests go to the DHA-GL.
 - Find instructions and forms at www.health.mil/greatlakes or call 888-647-6676.

Note: Authorized LOD care is limited to the specific injury, illness or disease that was incurred or aggravated while in a qualified duty status (for example, if your left arm was injured and a LOD determination was approved for that condition, care for a right knee issue isn't authorized under the same LOD).

Continued Health Care Benefit Program

- Similar to COBRA continuation health coverage:
 - 18 to 36 months of temporary, premium-based coverage
 - For information on costs, go to www.tricare.mil/costs.
- CHCBP qualification begins the day after losing eligibility for any TRICARE coverage or when TAMP coverage ends:
 - Must enroll within 60 days of loss of TRICARE/TAMP coverage and pay premiums
- Administered by Humana Military for all regions:
 - Call 800-444-5445 or visit HumanaMilitary.com for more information.

 - They're eligible for the TDP Survivor Benefit.

Survivor Benefits: Not Activated

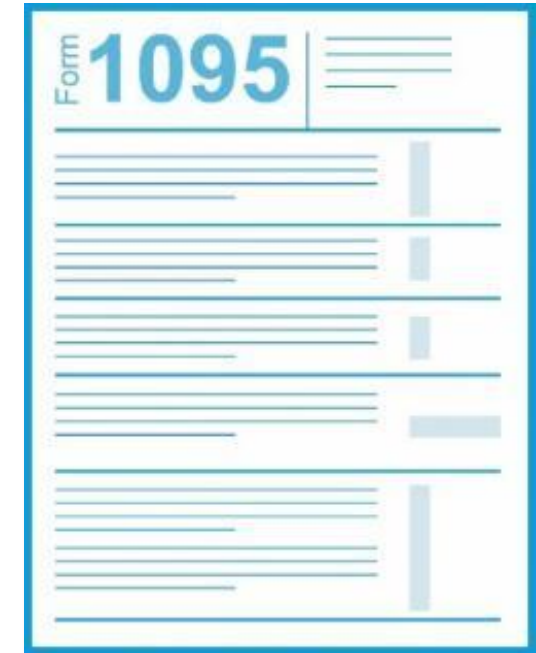

- Family members of non-activated National Guard or Reserve members who had TRS or TAMP coverage at the time of their death have the following options:
 - If TRS coverage was in effect, qualified survivors may purchase or continue coverage under TRS for up to three years from the date of their sponsor's death.

- Survivors are eligible for the TDP Survivor Benefit throughout the duration of survivor coverage or until losing TRICARE eligibility, whichever comes first.

Survivor Benefits: Retired

- Family members of Retired Reserve members who had TRR at the time of the sponsor's death:

The Affordable Care Act

- TRICARE meets the minimum essential coverage requirement under the Affordable Care Act.
- Each tax year, you'll get an IRS Form 1095 from your pay center. It will list your TRICARE coverage for each month.
- Your Social Security number and the Social Security number of each of your covered family members should be included in DEERS for your TRICARE coverage to be reflected accurately.

A stylized representation of an IRS Form 1095. The form is enclosed in a blue border. At the top left, the word "Form" is written vertically, followed by the large number "1095". To the right of the number are several horizontal lines representing a header section. Below this, the form is divided into several sections by horizontal lines, with vertical bars indicating the layout of the data fields. The overall appearance is that of a simplified, schematic version of the actual form.
